

TEXAS SOUTHERN UNIVERSITY
Thurgood Marshall School of Law
Alumni Association

Dear Friends and Supporters,

It is with great honor and pride that the Thurgood Marshall School of Law at Texas Southern University announces its inaugural **Legacy Ball**. This auspicious event will take place at **Hotel ZaZa** in Houston's historic Museum District on **Friday, October 28, 2022**.

Our guests will experience an evening filled with art, culture, inspired storytelling, and music celebrating the financial support of our beloved Thurgood Marshall School of Law and its students. The Legacy Ball's overall purpose is to collaborate with the greater Houston community, Thurgood Marshall School of Law alumni, Texas Southern University alumni, and other generous benefactors to provide much needed scholarships to deserving students.

This goal will provide much needed support to our current and future students and allow the school to provide them with the best academic and cocurricular opportunities available.

In addition, our host will guide guests through the evening which will include a cocktail reception, dinner, dancing, silent auction, and much more inspiration. Our supporters will have the opportunity to sponsor an advertisement, a table, or a thematic room. During the program, we will honor selected alumni, students, and supporters, for their significant contributions to Thurgood Marshall School of Law.

We invite you to participate in this tax-deductible effort by becoming a sponsor. Please follow this link [2022 Thurgood Marshall School of Law Legacy Ball-TSU Giving](#) to make your sponsorship selection.
