

# HEALTH EQUITY FUNDING PROGRAM

The banner features logos for TSU, CBMHR, AHEP, Breast Cancer Screening and Prevention, and the University of Texas at San Antonio. The main text reads: "Health Equity Funding program. Your donation is important because it will help create healthcare access, address social determinants of health barriers, and reduce health disparities among ethnic minority population. The funds will advance Health Equity in cancer, infectious, and chronic diseases that disproportionately impact ethnic minority by supporting our efforts in: i. Awareness, Advocacy, and Education; ii. Screening and Diagnostics for uninsured and underinsured; iii. Patient navigation and social determinants of health support; iv. Treatment assistance for those diagnosed through our program; v. Reduce barriers to clinical research participation; vi. Administrative/operational cost for our program.
